PRIVATE VOICE LESSONS: Tuition-Based Packages

These students pay the lowest per-lesson rate and are guaranteed regular, recurring lesson times.

The Vocal Intensive: This is an ideal option for singers who are serious about pursuing vocal training, perhaps for the first time. Regularly recurring lessons allow you to explore and strengthen your voice, build musical skills, become more emotionally expressive, and expand your repertoire. This package is essential for anyone who needs to establish or overhaul their vocal technique.

Payable by month: \$150.00/mo (Jun, Jul, Aug)

Fall Semester (15 Weeks):

Payable by month: \$270.00/mo (Jan, Feb, Mar, Apr, May)

The Vocal Check-In: You're a strong singer, and you want to take regular lessons, but you have a lot going on. You're in acting or dance classes or you get cast in a lot of shows. You need to keep your voice healthy, grow as a singer, and prepare for auditions. You need to balance your one-on-one training with real world experience. (Note: Only available to singers who I deem experienced enough for lessons at less-than-weekly intervals.)

Summer Semester (11 Weeks):

Four (4) 50-minute lessons

Dates: Mon, Jun 3, 2024 - Thu, Aug 22, 2024*

Payable by semester: \$321.00

Payable by month: \$107.00/mo (Jun, Jul, Aug)

Fall Semester (15 Weeks):

Payable by month: \$160.00/mo (Sep, Oct, Nov, Dec)

Winter/Spring Semester (22 Weeks):

Eleven (11) 50-minute lessons

Dates: Mon, Jan 6, 2025 - Fri, May 30, 2025

Payable by semester: \$880.00

Payable by month: \$176.00/mo (Jan, Feb, Mar, Apr, May)

Please contact me to sign up for a tuition-based package. You cannot register for the package online, but, once I set it up, you will be able to login to the website to make payments, cancel individual lessons, and sign up for makeup lessons.

All lessons purchased as part of a tuition-based package must be taken within that semester. No refunds will be issued for cancellations. However, if you cancel 48 hours before the scheduled lesson, or you cancel last-minute due to an emergency (illness, weather, etc.), I will issue a makeup credit that must be used within that semester. Makeup credits will also be issued for any lessons I cancel. Please note that makeup lessons are available only on a first-come, first-served basis, and I cannot guarantee that they will always be available. Lessons not used during the semester will be forfeited.

**I will be away on vacation from Friday, June 28 - Sunday, July 7, 2024.*

INITIAL FIT CONSULTATION

This option is for singers who are interested in private lessons or are unsure where to begin.

A 50-minute session (\$85) will allow us to determine whether we can work together to help you accomplish your singing goals. You can expect me to provide an honest assessment of your voice and musical skills and a preview of what we could work on. I will recommend next steps, which could include private lessons or a referral to someone whose skills may be more suited to your needs.

PRIVATE VOICE LESSONS: Drop-In Students

Some singers prefer the freedom to schedule occasional lessons as needed.

For students who want periodic vocal tune-ups or a little help preparing for an upcoming audition, drop-in lessons are the perfect fit. Following an Initial Fit Consultation (see above), drop-in students can register online for any open lesson spot. The drop-in rate is \$85 for 50 minutes.

Established students may schedule online:

www.catherinekbrown.com/lessonportal

Payment is due at the time of the lesson and will not be waived even if the lesson is cancelled. However, if you cancel 48 hours before the scheduled lesson, or you cancel last-minute due to an emergency (illness, weather, etc.), I will issue a makeup credit that must be used within 30 days.
